The order of the dasha lord planets, their respective individual durations and total time-cycle (=36 years) are common to both the Yogini and Shat-Trimsha Dasha-systems - except for the single difference that the commencing dasha becomes different in the two cases.

Parashara's recommendation is that if birth takes place during day-time in Sun's Hora or in night-time in Moon's Hora Shat Trimsha Dasha-System should be adopted.

As an extension to this principle, if birth takes place in night time in Sun's Hora or in day-time in Moon's Hora, Yogini Dasha-System should preferably be employed.

### Ascendent Result

Your Ascendant is Taurus. Your Ascendant-lord is Venus, which is the super-benefic planet in your chart. For being the lord of an angle and a trine both, Saturn happens to be the 'yoga-karaka' planet in your chart and is a benefit-giving planet for you.

By virtue of being born in Taurus Ascendant, you are a good-natured, soft-spoken and worthy person with gentle behaviour and peaceful manners. You will be skillful and industrious, which will enable you to earn well and acquire comforts and conveniences. You will have a very deep sense and consciousness about your rights and will courageously safeguard and defend your interests. You will have firm resolutions and will strictly adhere to your ideas, beliefs and opinions; for which some people may consider you as obstinate or stubborn. #### Mercury

In your chart, Mercury is placed in sign Cancer. You are likely to be fretful and inconstant; you may be disposed to idleness, yet clever enough to take advantage quickly. You may have strained terms with your relatives and may lack happiness on this count, as they might consider you unreliable. But your friends will be very helpful to you. You may go to a distant place and live there for a long duration. You will gain wealth from agricultural products, intellectual pursuits and also from fine arts.

In your chart, Venus is placed in sign Cancer. It might make you ever mutable and inconstant; you may seem to be in earnest when you are really not. Although you may be fickle and timid, you will still be skillful to put your best side outward always. If Venus is afflicted by malefic planet(s), then your mind may remain obsessed with the desire of having company of the members of the opposite sex. If Venus is in conjunction with or aspected by either Jupiter or the Moon, then you will become very wealthy.

#### Mars

In your chart, Mars is placed in sign Gemini. Unless Jupiter or Venus is in Pisces or Mercury is in Virgo, it is not a favourable position. You may have an argumentative, quarrelsome nature and may even acquire a crooked disposition. You may suffer from bilious or hearing disorders, acquire a spend-thrift nature and turn inimical to your relatives. Although you may have good education, you may not be able to utilize it effectively. Unless some modifying influences are present in your chart, you may not be happy in your native place and, leaving home, may go to a distant inland place to eke out your livelihood.

#### Jupiter

In your chart, Jupiter is placed in sign Libra. This is a fairly good position; it will give you a mild temper, winning manners and obliging disposition. You will have a tall, upright stature, a very handsome form and inviting face; with your presence itself, you will be able to command respect. But, as regards health, the position is not very good; you may suffer from ulcers or the like, lose appetite and eat food in limited quantity only. You might be somewhat unhappy on account of your spouse or children.

### **Saturn**

In your chart, Saturn is placed in sign Cancer. If associated with or aspected by Jupiter or the Moon or Mars, you will be highly intelligent, independent, purposeful and confident. Otherwise, you may have a jealous and calculating nature; you might be suspicious in your dealings and people might consider you as a crooked person. You may have gains from foreign countries; but you might be worried on account of your kinsfolk. You may suffer from some disorders affecting your eyes or ears.

### **Moon**

The Moon is situated in sign Cancer in your chart; so your 'Janma-Rashi' (or Chandra-Lagna) is Karkata. Your mental qualities and certain other characteristics will be governed by this feminine, watery, fruitful and movable sign and, to some extent, by it's sign-lord, the Moon herself.

Moon in sign Cancer is a very beneficial position in many respects in general; however, you might tend to be emotional and sentimental, although you will be free from passion or rash actions. You will be fortunate in respect of property-matters and your earnings will swell, although with some occasional fluctuations. You will acquire special skill in arts, will be fond of good company and merry-making, will be fond of travelling and will be loved by all. Your mind will be flexible and changeful, which you will greatly enjoy.

### **Rahu**

In your chart, Rahu is placed in sign Taurus. If associated with or aspected by Venus or Mercury or Jupiter, you will be soft-spoken, possess and earn good amount of wealth and there might be more females in your family. If associated with or aspected by the Moon, then your fortune could be unstable. If associated with or aspected by both of the Sun and the Moon, then you may suffer from diseases and your eye-sight might be affected. If associated with or aspected by Saturn or Mars, then you may incur losses and your financial condition might be deteriorated. If Venus is not well-placed, your family-members may lack the quality of tolerance and your life might become bereft of peace altogether.

### **Ketu**

You may be desirous of changing the existing order of things -- in spite of having no clear idea about what the substitutes should be. Your relatives and neighbours may consider you to be quarrelsome or argumentative and your opinions of little or no value. However, if Mercury is unafflicted and strongly placed, then the situation will be improved considerably.

### **Neptune**

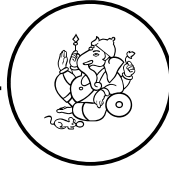

In your chart, Neptune is placed in sign Virgo. Unless Mercury is well-placed in your chart, this is not

a very favourable position. You might be quick to perceive dishonesty, may be inclined to criticise and find fault with others, yet you will be very ingenious in covering up your own faults and failings. People are likely to avoid your company. You might be fastidious about food and diet.

## Prediction On The Basis of Bhavas

### Ascendant Lord

In your chart, the Ascendant-lord is situated in the third house, which is called the house of courage (Vikrama). Besides courage, valour, prowess, etc this house also rules over right ear, arms, shoulders, (younger) siblings, cousins, kindred, neighbours, short journeys, news, writings, correspondence/ communications, etc. You will be very fortunate in all these respects, will have a somewhat restless nature and will always remain engaged in fruitful activities. Rather than expending words, you will wish to express yourself through your deeds and you will become highly popular in your circle. You will travel a lot and your profession may have some connection where gathering informations and a lot of writing, correspondence/ communications are required. If your Ascendant-lord happens to be a natural malefic, you will be amassing wealth and if it obtains 'neecha-bhanga' (that is, if it is debilitated but has cancellation also), you will become very rich. If your Ascendant-lord is the Sun, then you are sure to secure a prestigious position in a big organisation, which might even be a government establishment. You will move in high circles and will receive favours and benefits from the authorities and political sources.

### Lord of 2nd House

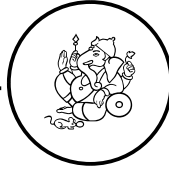

In your chart, the second-lord is situated in the third house, which is called the house of courage (Vikrama). Besides courage, valour, prowess, etc this house also rules over right ear, arms, shoulders, (younger) siblings, cousins, kindred, neighbours, short journeys, news, correspondence/ communications, writings, etc. This is a favourable position for the 2nd-lord and you will be fortunate in many of these respects. You will have good education and your family-wealth will be ever-waxing. If the 2nd-lord is associated with or aspected by a natural benefic planet, your family-life will be peaceful and happy while your relationships with your kindred and neighbours will be cordial. You will be religious-minded, have a philanthropic outlook and charitable disposition and will become known for doing worthy deeds. But if the 2nd-lord is associated with or aspected by a natural malefic planet, then the opposite might hold good; nevertheless, it will make you courageous and you would always remain alert for defending your interests. As the 2nd-lord aspects the 9th house, some of your family members may reside in a distant/ foreign place and alongwith your family members, you may have occasional journeys to such places.

### Lord of 3rd House

In your chart, the third-lord is situated in the third house itself, which is called the house of courage (Vikrama). Besides courage, valour, prowess, etc this house also rules over right ear, arms, shoulders, (younger) siblings, cousins, kindred, neighbours, short journeys, news, correspondence/ communications, writings, etc. It will make you fortunate in respect of most of the 3rd house indications -- more so if the Ascendant-lord is in the 3rd house or if it aspects the 3rd house or if a natural benefic planet is situated in the 3rd house or aspects it. If a natural malefic planet (who is neither exalted nor in own house) is situated in the 3rd, it will make you very courageous but it affects the health and well-being of the younger co-borns. If a natural benefic planet is associated with the 3rd-lord or aspects it, you will be very fortunate in respect of having co-borns and it will make the relationships with the kindred very cordial but if a natural malefic planet is associated with the 3rd-lord or aspects it, the relationships with the co-borns and also with the kindred may not be very cordial; if malefic influences are more, the relationships may become spoilt and you may have separation from your co-borns/ kindred. If the 3rd-lord is weaker than the 8th-lord, then it is an assurance of having a good longevity and possibility of facing accidents will be less.

### Lord of 4th House

In your chart, the fourth-lord is situated in the third house, which is called the house of courage (Vikrama). This is not a very favourable position and it offers mixed influences. If the Moon is ill-placed, your mother may not be in good health; if Mars is ill-placed, you may lose part of your property. However, if a natural benefic planet is either situated in the 4th house or aspects it, then the things will be considerably improved. If the 4th-lord is a natural benefic planet, then it will make

you fortunate in respect of your younger co-borns but if it is a natural malefic planet, then the results will be just the opposite -- although it will make you bold and active. If a natural benefic planet is situated in the 3rd house or aspects it, you will have peace and satisfaction; you will also receive assistance and support from your cousins, kindred and neighbours but if it is influenced by a natural malefic planet, then you may have no peace and satisfaction. The 4th-lord situated in the 3rd gives many and frequent short-distance to-and-fro journeys. So, your profession may have something to do with travelling and you may do well in sales/ marketing, transport, tourism, etc. As the 4th signifies books while the 3rd indicates printing, you may own a Press.

### Lord of 5th House

In your chart, the fifth-lord is situated in the third house, which is called the house of courage (Vikrama). If the 5th-lord is a natural malefic planet or if such a planet is situated in the 3rd, then you will become bold and courageous; if the malefic planet is in 'retrograde' motion while the 3rd-lord is associated with or aspected by natural malefic planet(s), then you might face serious traffic accident(s) while returning home back -- once or more in your life. As the 3rd house indicates the lower mind while the 5th house indicates love-affairs, speculations, etc., you may have deep-seated desire for having the company of the members of the opposite sex; your mind might remain absorbed in calculating the possible gains from speculative sources and if the 3rd-lord is well-placed, you may earn a lot from speculations. If Venus is well-placed, then you may have good gains from entertainment fields; if Mars is well-placed, then it might be from sports and if Mercury is well-placed, then it might be through your writings covering such fields. If a natural benefic planet is situated in the 3rd house or aspects it, it will make you fortunate in respect of your younger co-borns and if a natural benefic planet is situated in the 5th house or aspects it, it will make you fortunate in respect of your own children. If your Ascendant is Capricorn or Pisces, then your 5th-lord will be exalted in the 3rd and you can look forward to having results of the very best kind.

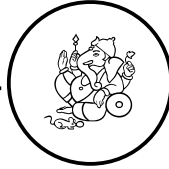

### Lord of 6th House

In your chart, the sixth-lord is situated in the third house, which is called the house of courage (Vikrama). This is a favourable position as the lord of a weak house is situated in another weak house, thereby losing the maleficence of the house it owns and mitigating the otherwise possible evil effects of the house it is situated in. You are sure to come up in life quite suddenly and in a spectacular manner. The position is beneficial for receiving out-of-turn benefits by virtue of having some proficiency or some acquired special skills. You may do well in out-door sports and athletics; alternatively, you may join in some active services where by virtue of your extra-ordinary performances, you may be able to turn heads and command due respect. In your early years, your kindred and colleagues may not be helpful and they may even become jealous later; but you will be able to overcome all your enemies -- more so if a natural malefic planet is situated in the 3rd house. If a natural benefic planet is situated in the 3rd house or aspects it, then you may do well in a publishing house by serving as a correspondent, a writer or an editor; and if that happens with the 6th house, then it will safeguard your prospects. If your Ascendant is Leo, then your 6th-lord Saturn will be exalted in the 3rd and you can look forward to the very best results; but if Saturn is retrograde while the Moon is also in the 3rd, then it might affect the health and well-being of your mother.

### Lord of 7th House

In your chart, the seventh-lord is situated in the second house, which is called the house of wealth (Dhana). If your Ascendant is either Aries or Libra, then the 7th-lord will be the 2nd-lord also; the 2nd-lord situated in own-sign in 2nd will make you fortunate in respect of your family and wealth. You may earn a lot by running a brisk business. If Jupiter or Venus is also situated in the 2nd or aspects it while the 7th-lord is associated with or aspected by a natural benefic planet, then you may have gains from law-suit(s); reverse will be the results if natural malefic planets are situated in the 2nd and the 7th both and if Saturn or Ketu is situated either in the 4th or the 8th. If your Ascendant is Cancer, the 7th-lord will become the 8th-lord too and will aspect it; this will make your longevity high and you will lead a trouble-free life. In other cases, it is not very good as the 7th and the 2nd both are 'maraka' houses and one maraka-lord situated in another gives rise to health-problems. If the 7th-lord is a natural malefic planet, then in 2nd it can affect eye-sight -- more so if either the Sun or the Moon is also associated with a malefic planet; if either Rahu or Ketu is also situated in the 2nd,

violent quarrels may break out in your family all on a sudden and may result in separation(s). If your Ascendant is Capricorn, then you may suffer from blood-pressure or the shank portions of your legs might become swollen owing to accumulation of body-fluids.

#### Lord of 8th House

In your chart, the eighth-lord is situated in the sixth house, which is called the house of disease (Roga). Besides disease, the 6th signifies enemies and wounds whereas the deadly 8th indicates professional set-back, grave misfortunes, facing immense difficulties arising from accidental or calamitous causes, etc. This is still considered to be a favourable position as the lord of a 'trika-house' when situated in its same own house gives rise to a beneficial yoga which ensures material prosperity by having a kind of meteoric rise. You are likely to have very high ambitions and invent dubious ways for realising them; you may tend to take grave risks and bulldoze your way through life by instilling fear. Although you will be able to overcome your enemies, they might be waiting behind the screen with their scary designs. You should therefore need to take precautions and you are better advised to mend your style of running with heavy fuel. If a natural benefic planet is situated in or aspects the 6th or the 8th, then the dangerous tendencies will remain in control whereas if a natural malefic planet is situated in or aspects the 6th or the 8th, then only more fuel will be added to the fire. As the 8th is the 2nd from the 7th while the 6th is the 12th from the 7th, you are likely to have gains from your spouse and from your business-partner -- if any.

#### Lord of 9th House

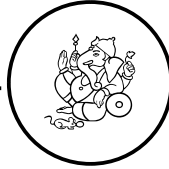

In your chart, the ninth-lord is situated in the third house, which is called the house of courage (Vikrama). The 9th house signifies father, fortune, foreign countries, etc. Since from the 3rd house, the 9th-lord will aspect its own house the 9th, you will be fortunate in many such respects. Your father will be well-placed and he might be running his own business-house successfully. Since the 3rd house rules over printing while the 9th house rules over publications, he might own a newspaper or printing Press or may be in the publication business; alternately, you may have connection with these sources. As the 3rd house indicates road/ journeys, messages, etc while the 9th house indicates distant places, you may have some connection with long-distance road-transport or courier services. As the 3rd house indicates the lower mind while the 9th house indicates ideals, if your Ascendant is Aries or Cancer, the 9th-lord Jupiter situated in the 3rd will make you religious-minded and you will have lofty ideals. If your Ascendant is Leo, then your 9th-lord Mars in 3rd house may harm your younger co-borns unless the 3rd-lord Venus is well-placed. If your Ascendant is Taurus or Gemini, the 9th-lord Saturn in the 3rd may affect the health and well-being of your mother -- more so if the Moon is also in the 3rd and the 4th-lord is not well-placed.

#### Lord of 10th House

In your chart, the tenth-lord is situated in the third house, which is called the house of courage (Vikrama). It indicates that your profession is likely to have strong connection with the 3rd house significations like news-paper/ press, writing/ editing/ translating, post/ telegraph/ courier service, radio/ broadcasting, transport/ tourism, etc lines. If your Ascendant is Capricorn, then you will enjoy excellent results as the 10th-lord will be exalted in the 3rd. If your Ascendant is Cancer, then your 10th-lord will be aspecting the 10th and you can look forward to securing a powerful position. If your 3rd-lord is well-placed or if it is either associated with or aspected by a natural benefic planet, then you are likely to enjoy beneficial changes and prosperity. If the 10th-lord is a natural malefic planet, it will make you bold and courageous but it would be harmful for your younger co-borns; if the 10th-lord is Saturn or Mars and if the planet is retrograde, then you may become prone to face traffic accident while returning home back and if the Moon is also placed in the 3rd, the health and well-being of your mother may cause you some concern; if Mars and the 4th-lord are not well-placed, you may have changes of residence; if Venus and the 4th-lord are not well-placed, you may face problems in connection with your vehicles. But if the 4th-lord is well-placed or if a benefic planet is situated in the 4th house or aspects it, then you won't have such problems.

#### Lord of 11th House

In your chart, the eleventh-lord is situated in the sixth house, which is called the house of disease (Roga). If your Ascendant is Gemini or Sagittarius, then the 11th-lord will be situated in own-sign in

the 6th and will offer beneficial results. If your Ascendant is Pisces, then the 11th-lord will act more as the 12th-lord and being placed in the 6th will give the beneficial 'Veepareeta Raja Yoga' results. Otherwise, this is not a very favourable position. Although it ensures success in competitive examinations, you may remain in service and your earnings may become limited. As the 11th is the house of friends while the 6th is the house of enemies, some of your friends may become inimically disposed towards you. If the 6th-lord is not well-placed or if a natural malefic planet is situated in or aspects the 6th, then you may suffer from some disease. If in addition, Rahu or Ketu is situated close to the 11th-lord, then you may suffer from some diseases difficult to diagnose or difficult to cure; alternately, you may have undesirable associations, unusual or unrealistic aspirations and may come under the grip of some vicious addictive habits. Since the 11th is the 8th from the 4th while the 6th is the 3rd from the 4th, the health and well-being of your mother may cause you concern -- more so if the Moon is not well-disposed. If Mars is not well-placed, then some untoward happening or calamitous cause may rob away a major part of your property.

### Lord of 12th House

In your chart, the twelfth-lord is situated in the second house, which is called the house of wealth (Dhana). If your Ascendant is Sagittarius, then the 12th-lord will be the 5th-lord also; in the 2nd it will be exalted and will give 'Dhana Yoga' results; you will have influx of wealth and will be very happy. Otherwise, this is an unfavourable combination and gives rise to unfavourable 'Dainya Yoga' as the 12th-lord which signifies losses is never desirable in the 2nd which is the house of wealth. As the 12th indicates medical and wasteful expenses and hospitalization while the 2nd indicates the family, the possible results can be summed up easily. However, if the 2nd-lord is well-placed and if a natural benefic planet is situated in the 2nd or the 12th or aspecting either of these two houses, then the results will be improved. If Jupiter influences the 2nd house by position or aspect, then some member of your family might go to a distant place or a foreign country for residing there for long; if Venus influences the 2nd house, then marriage-ceremony may be the reason for such 'leaving'. If your 2nd-lord is a natural benefic planet, it will give you good eye-sight and will make your speech pleasing -- if there is no contrary combination present in your chart. But if the 2nd-lord is a natural malefic planet, then for obtaining favourable results, we would have to check for the presence of beneficial planetary combinations involving the 2nd house and its lord.

If your Ascendant is Leo or Capricorn or Pisces, as Venus will be exalted or in own house, you will become very happy in respect of your younger co-borns and you may have good progress in artistic pursuits -- more so if a natural benefic planet is with it or aspects it. But if your Ascendant happens to be Cancer, as it will be debilitated, you may experience just the opposite results -- unless Mercury or the Moon is fairly well-placed. If your Ascendant is Capricorn while your Moon-sign is Taurus, or if your Ascendant is Pisces while the Moon-sign is Cancer, then you will be rolling in wealth and will have many prestigious vehicles.

### Mars

You will be more fortunate if your Ascendant is Sagittarius, then Mars will be exalted in the 2nd and if your Ascendant is either Libra or Pisces, then Mars will be in own-house in the 2nd. If the 2nd-lord is well-placed or if a natural benefic planet is with it or aspects it, you will be very fortunate in respect of family-wealth. If your Ascendant is Gemini, you will become more extravagant as Mars will be debilitated in the 2nd. If Mars is "combust" or if Saturn or Rahu is with it or aspects it when none of the planets is exalted or in own-house, you may suffer from diseases and may lose your family-wealth. If a natural malefic planet is with Mars or aspects it, then you may have a harsh speech and quarrels may break out in your family but if Jupiter is with Mars or aspects it, then the situation will be improved. If the Moon is with Mars, then you will enjoy the benefits of 'Chandra-Mangala Yoga' and have material possessions. The condition of your health will be stable and your bulk is likely to improve with time but you may acquire illnesses if you cannot check your tendency of excesses and over-indulgence in diet. Your servants will be faithful and you will lead a comfortable life in peaceful environments. If your Ascendant is Aries, Taurus, Cancer, Leo, Libra or Capricorn, then you will enjoy favourable 'Veepareeta Raja Yoga' results. If your Ascendant is Aquarius, you will be well-placed in service as Jupiter will be exalted in the 6th; but if your Ascendant is Leo, then Jupiter will be debilitated in the 6th, you may not be able to secure a good rank and may have to accept short-term jobs in private companies -- unless Saturn and/ or your 10th-lord is well-placed. If Jupiter is 'combust', then your Liver might be affected and you may also suffer from eye-complaints. If your Ascendant is Virgo, then you may suffer from high blood-pressure.

### Saturn

Since Saturn is situated in your 3rd house, it will make you bold and courageous; it will also give you

a determined nature. You may not be in good terms with your relatives, your health might be affected by journeys and over-exposure and your mind may become melancholic. Some losses are likely during journeys and also through postal transit. If the Moon is also situated in the 3rd house, the physical or mental health of your mother may cause you some concern. If two other natural malefic planets (the Sun, Mars and Rahu) are also situated in the 3rd, then you will be highly fortunate as unobstructable 'Vishesh Argala' will be generated for your Ascendant which will certainly give you exceptional prosperity -- but with so many malefic planets in the 3rd house, you may not have any surviving younger co-born. If your Ascendant is Leo or Scorpio or Sagittarius, as Saturn will be in own house or exalted, you will become very happy in respect of your younger co-borns. If your Ascendant happens to be Aquarius, then if debilitated Saturn obtains 'neecha-bhanga' (cancellation of debility), then you will be fairly rich and well-placed in life.

### **Moon**

Since the Moon is situated in your 3rd house, your mind will be exceedingly changeable and you may have curious and capricious fancies. You may have many journeys and may have many changes of pursuit and occupation. You may follow some uncommon pursuit which may help you to gain popularity and you may become noted owing to publicity of some sort as your writings might well be published in periodicals, etc. If Saturn or Rahu is also situated in the 3rd house, you might become unhappy on account of your mother since she may suffer from some physical or mental problems; and if a retrograde natural malefic planet is with it, then you may suffer some grief in your early age and you would be prone to facing accidental mishap. If the Sun is with it, you may be sentimental but if the Sun aspects it, then you would be emotional. If Mars is with it, you may have a short fuse but you will acquire material possessions by aggressive measures. If Venus is with it or aspects it, then you will enjoy comfort and luxury. If Jupiter is with it or aspects it, you will be far-sighted and possess equanimity. If your Ascendant is Taurus or Pisces, as the Moon will be in own house or exalted, you will be very happy in respect of your younger co-borns.

### **Rahu**

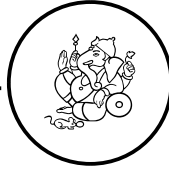

Since Rahu is situated in your Ascendant, you might have been born in troubled circumstances. You are likely to have attractive appearance and might become very popular. During sometime in your life, you may face insurmountable opposition and may become somewhat confused or undecided. Your unorthodox views might generate some controversy or you may opt for a self-chosen life-companion.

Unless Rahu is in own star or is involved in star-exchange with a natural benefic planet, it may bring in some unusual problems in married life where the cause of problem will be difficult to isolate. If Rahu is situated in Ketu's star, then you might become prone to face accidental mishap. If the Sun is situated close to Rahu, then you may suffer from hereditary diseases. If the Moon or Mercury is with Rahu, then your thinking might be somewhat confused but if Mercury is situated in the 7th-house, then you will be bestowed with sharp intelligence and academic distinction. If Mars is situated close to Rahu, then you may have a violent temper, have undesirable associations and, if you are male, may acquire some bad addictions.

If Rahu is in Taurus, Virgo, Capricorn or Aquarius and a natural benefic planet is with it or aspects it while the Ascendant-lord is also strong, then you may have been born in a noble family or will become very rich.

### **Ketu**

Since Ketu is situated in your 7th house, you will enjoy 'mixed' results of good and bad both. This position is not considered favourable for happiness in marriage; however, if Ketu is in Scorpio or Pisces or if it is situated in its own-star, it gives improved results while the results become worse if Ketu is in Taurus as you may be troubled by opponents and face many problems -- unless Mars is well-placed. However, this position is favourable in certain respects : if Mercury is also well-placed, you can gain good proficiency in computer operations fairly fast and can have good gains from service in this field; you may even start your own business pretty soon if the 7th-lord is well-placed or if a natural benefic planet is situated in the 7th or aspects it. If Ketu is in star of Rahu or Mars, you may have some quarrels and/ or face accidental mishaps. Ketu gives good results if it is with Jupiter or is aspected by it or is situated in the star of Jupiter or Venus.

## Uranus

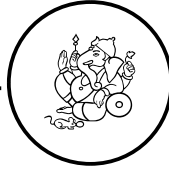

Since Uranus is situated in your 2nd house, you are likely to experience sudden changes in fortune and your family-life can at times be like sailing on the tempestuous seas -- unless Jupiter or Venus is situated with it or aspects it. You may pass through many ups and downs in life, your financial affairs might become very uncertain and you may face fluctuations of extreme sort -- unless the 2nd-lord is well-placed. If a natural benefic planet is also situated with it or aspects it, the situation will be much improved; but if a natural malefic planet is also situated with it or aspects it, then the things may tend to go beyond control. If the Moon is close to it, then you may have eccentric tendencies and an ever-changeful mood. If Mercury is close to it, then you may invite unnecessary troubles through your utterances. If Venus is close to it, then some person of aristocratic background or connected with the music fields may have fleeting ties with some of your family-members; in this respect you should better remain careful. If Mars or Pluto is with it or aspects it, then you might get into conflicts for uttering wrong things to ruffian people. If Neptune is with it or aspects it, then you may frequently have angry exchange of words with people of lower class.

## Neptune

Since Neptune is situated in your 5th house, you may have a sensuous nature and disposed to chaotic or unnatural acts which may lead you to troubles in love-affairs; you may even be tempted to get into illicit amours which may lead you to face critical situations. However, if the 5th-lord is well-placed or if a natural benefic planet is with it or aspects it, then the situation will be considerably improved; but if the 5th-lord is ill-placed or if a natural malefic planet is with it or aspects it, then you may have some depraved desires, fantastic appetites and licentious habits; if the 8th and/ or the 12th houses bear the influences of natural malefic planets, then you might face the inevitable which had been lurking behind you since long.

## Pluto

Since Pluto is situated in your 3rd house, you will have the mind of an inborn fighter who had never learnt to admit defeat. You will have much ingenuity and a sharp, penetrative mind; you will tend to be very forceful while expressing your opinions and views. You may have excellent progress if you have any connection with atomic energy and nuclear science. Arms and ammunition may be of special interest to you and you may have some connection with defence establishments. You may lose contact with some of your near relation (may be a younger co-born) or a neighbour who might go away to a very far-away place. If a natural malefic planet is with it or aspects it, then you may suffer from lung troubles owing to excessive smoking or over-exposure to smokes, fumes, suspended particles, radiations, etc; however, if the 3rd-lord is well-placed and if a natural benefic planet is with it or aspects it, then you won't have to suffer. If Pluto is afflicted by Saturn and Mars both by association or aspect, then serious problems would be anticipated.
